

What do I need to know about COCALICO GIRL'S LAX?

What ages/grades can play? Any girl within the Cocalico School District in 2nd—8th grade is eligible to play lacrosse with us!

When is the season? Our season is the Spring and begins in mid-March running through the end of May.

What does a typical week look like? Teams practices 2 days per week (typically Tuesday/Thursday). All teams have “Play Days” on Saturdays at the same location, the games run throughout the day. The club will typically play in 1-2 tournaments during the season these are on Saturdays or Sundays.

What do they need to play? Players will need a stick, a mouth guard & goggles to play. A basic starter set costs about \$75.

When is registration & what are the costs? Registration begins on November 7th and will run through the start of the season. We encourage everyone to register early to help us identify number of teams and get items ordered. Costs would include registration fee, USA Lacrosse Membership (\$30) and first year players would need to purchase a uniform. More info at **WWW.COCALICOLAX.COM**

But we don't know anything about lacrosse? That is OK! We have some great coaches that love to teach the game to new parents & players! It is a real easy game to pick up & a lot of fun to watch!

Are there opportunities to “try” out lacrosse? In the Fall and Summer we offer a Skill Development sessions where players can drop-in & try lacrosse. Our coaches love to teach the game to new players...once they try it we think they will be hooked!

I still have questions, what should I do? Visit our website at cocalicolax.com for more information or contact us via email at cocalicogirlslacrosse@gmail.com with your questions. **WWW.COCALICOLAX.COM**
